

The International Longbow Archers Association National and International Championship York Shoot - no draw-weight or arrow limits - 25 September 2016 at Cobham Hall

The Medieval Manor of Cobham Hall is open to these classic longbow shooting traditions. The Trustees have kindly allowed the I.L.A.A. the use of the West field: lined on three sides by mature species trees, this beautiful ground is peerless for both the Clout and York shooting Championships. Close to major transport axes: a bowshot from the M2, 7 minutes from the M25 and 15 minutes from the Dartford crossing. The Estate's location is perfect and offers ready access to archers from the Continent also. Don't miss a unique opportunity to shoot in this very best of ground.
